### 1. Whose products do we offer?

#### Investment

- ✓ **Independent advice** – We give advice in relation to investment products based upon research of a sufficiently diverse range of products available within the market.
- **Restricted advice** – We give advice in relation to investment products based upon research of a range of products available in the market, but we do not consider all providers or products in the market.
- **Non-advised service** - You will not receive a personal recommendation from us. We may ask some questions to narrow down the selection of products that we will provide details on. You will then need to make your own choice about how to proceed.

#### Insurance

We are insurance intermediaries and we act for you, the customer.

- ✓ **We give** advice in relation to contracts of insurance on the basis of an unlimited analysis of the market.  
We give advice in relation to contracts of insurance from a limited number of insurers. We will provide the list of the insurers we offer insurance from upon request.
- We give advice in relation to contracts of insurance from a single insurer.

### 2. What will you have to pay us for our services?

#### Investment

1. You will pay for our services on the basis of the work undertaken for you. We will discuss your payment options with you and answer any questions you have. We will not charge you until we have agreed with you how we are to be paid.
2. Please note that depending on the type of product, there may be other costs or taxes that are not paid through us or imposed by us.

#### **Non-Advised Services**

3. We do not have a set cost or charge in relation to non-advised services. The amount you will pay will be dependent upon the type of transaction and value of the transaction that you engage us to implement. We can be paid in the form of a fee payable by you or by commission paid by the product provider. If you

choose for us to be paid by commission this does not mean you are not paying us, as the commission paid will be reflected in the charges that the provider makes against your transaction.

- We will discuss your payment options with you and answer any questions you have. If we are to be paid by commission, we will tell you the amount we will receive. If we are to be paid for implementing a transaction by a fee payable by you, we will not complete any business until we have agreed with you how much this will be and how we are to be paid.

#### ***Advised Services***

- You will pay for our services on the basis of the work undertaken for you. Generally, this will relate to the advising on and arranging of financial products on your behalf.

### **Your Payment Options**

#### ***Settling your adviser charge through a single payment***

8. Whether you buy a product or not you will be required to pay us an adviser charge for our advice and services, this will become payable on completion of our work. You may decide to settle your adviser charge by way of a single payment either by cheque, debit card, credit card or bank transfer. Where you have purchased a product you may also have the option of paying our adviser charge by a single deduction from the product.

#### ***Settling your adviser charge by instalments***

9. In the case of regular premium products, you may have the option of paying our adviser charge over an agreed period of time but within 12 months of our advice. We will agree with you the amount and timescale of payment that is best for you. The instalments only cover the adviser charge and will not cover the cost of any ongoing service, which will be agreed with you separately.

- a. ***Paying by instalments through your recommended product***

Some regular premium product providers will accept your specific instruction to pay our adviser charge from the product you have purchased. They will require you to instruct them of the amount to be paid for each instalment and the number of instalments to be made.

While this option means that you will not pay us upfront, it does not mean that you are not paying us. Our adviser charge will be paid indirectly through the product deductions and these deductions could reduce the amount left for investment.

- b. ***Paying by other arrangements***

We can facilitate payment by instalments through a direct debit or standing order agreement.

#### ***Keeping up with your payments***

10. It is important that where you have decided to pay your adviser charge by way of instalments, you keep up with your payments. Where you do not keep up with your payments, the total outstanding amount will become immediately payable on demand.

#### ***Payment for ongoing services***

11. Any ongoing service is optional.
12. We provide three levels of ongoing service. Where you request and we agree to provide an ongoing service to you there will be an additional charge for this. We will confirm the rate, frequency and length of this ongoing service before it starts.

<b>Transactional/Bespoke</b>	By negotiation	

13. Please note that if you pay for ongoing services on a percentage basis the amount we receive may increase as the fund value increases, and conversely reduce if the fund value falls.
14. The ongoing service charge can be paid by way of a deduction from your investments or by direct payment from you under a bank transfer, direct debit or standing order as an annual or monthly payment schedule. Any payments will be payable in advance of us providing the review service in each period.
15. An ongoing service can be cancelled by either party by providing 30 days written notice of cancellation. This will be subject to the delivery of any outstanding items by us, and any settlement of monies due for the ongoing service by you.
16. Please note that VAT may apply to our ongoing service fees. We will tell you if VAT is to be paid.
